Counsels for the Respondent

Re: **Colorado Symphony Association**
Cases 27-CA-140724, et al.

Dear Counsels:

On September 24, 2020, the Respondent filed a "Motion for Reconsideration and Motion to Include Petition to Revoke Papers in Official Record."

The Respondent's Motion for Reconsideration is **granted**. Accordingly, the Respondent's Reply to Counsel for the General Counsel's Opposition to CSA's Petition to Revoke Supplemental Subpoena Duces Tecum is considered timely filed and will be forwarded to the Board for review. See Section 102.31(b) of the Board's Rules and Regulations, which suggests that a party's reply to an opposition to a petition to revoke may be filed any time prior to Board action on the petition.

However, the Respondent's Motion to Include Petition to Revoke Papers in Official Record is **denied**. Rule 102.31(b) provides that the "petition to revoke any opposition to the petition, response to the opposition, and ruling on the petition will not become part of the official record except upon the request of the party aggrieved by the ruling." The Respondent is not aggrieved insofar as its Motion for Reconsideration has been granted and the Board has not yet ruled on the Respondent's petition to revoke. This denial is without prejudice to the Respondent renewing its request, should the Board's ruling aggrieve the Respondent.

Very truly yours,

/s/ Farah Z. Qureshi
Deputy Executive Secretary
